like colors of Florhide from the kitchen and bathroom to the front of the house—hallways, stairways, sleeping rooms and sun rooms.

Florhide Enamel is quick-drying, combined with high gloss and extreme durability. Frequent mopping and scrubbing with soaps and cleaning solutions which are injurious to ordinary floor paints will not affect its tile-like finish.

URGH COMPANY Glass

THE TOUGH, INTERIOR, ENAMEL

For all interior surfaces—wood, stone, concrete, plaster, metal! Proof against action of oil, water and weather.

For all floors—homes, garages, schools, hospitals, offices, laundries, creameries, basements, sales rooms, in fact, wherever floors are painted for protection and beauty.
